

# AMRA International Trading LLC

355 Alhambra Circle, Suite 900, Coral Gables, FL 33134

**ALL PRODUCTS: - COUNTRY OF ORIGIN: USA**

## **DETAIL INFORMATION ON THE PRODUCTS AND ITS USAGE**

- Textured or pellet form made from raw materials sourced in the USA.
- The purpose is to supplement the shortfall of animal feed available in the UK as well as to introduce tried and tested products by mega farms, farmers and individuals regarding superiority of the products which leads to greater yield, and by extension, lower overall feed cost and increased profit margins which stands to benefit farms, farmers and citizens of the UK.
- The product will be imported on orders and would be sent directly to the end users. This ensures preservation of quality and freshness. Product will be in its finished form inside the packages, ready for use by farms/farmers as food for the animals. Our Products are versatile and is becoming a growing trend globally. Our animal foods have been formulated to reflect proper nutritional requirements in every serving size for different sizes of animals. Packaging and distribution of our products plays a key role in ensuring it arrives at their final stop in perfect condition. This is one of the reasons a warehouse is omitted as it contributes to the development of: molds, mildew and rancidity. Our customers satisfaction for their money spent is guaranteed.

## Full details of manufacturing process:

- Confirm that the animal food to be imported into the UK:
  
- All raw materials originate from the USA and the following diseases have not been reported: Cattle Disease, Foot-and-Mouth-Disease, African swine fever, Classical Swine Fever, Swine Vesicular Disease and Contagious Bovine Pleuropneumonia.
  
- b) Was again heated up for at least 30 minutes to a minimum of 90 °C, in accordance with WOAHP recognized heating method during the production process for any feed which contains animal protein.
  
- c) Was not produced from: Farm animals that died and were not slaughtered, including stillborn and unborn animals, as well as animals subjected to emergency slaughter for their own benefit or animals that died during transport.
  
- d) Animals that were slaughtered in connection with health control measures, on the farm or at any other place determined by the responsible authority.
  
- e) Those parts of the normally slaughtered animals that were not subjected to an examination of the meat, with the exception of hides, skins, hooves, feathers, wool, horns, blood and similar products.
  
- g) Meat, poultry, fish, game as well as animal products that were rotten.

- h) Animals , fresh meat , poultry , fish , game , meat products that did not comply with the veterinary requirements of the Community legislation concerning the import into the Community during the inspection.
- Animal by-products (including meat) that contain residues of substances and environmental contaminants according to the Regulation (EU) 2017/625 if these residues exceed the maximum value determined by Community legislation or, if such a maximum value has not been determined , the maximum value of the individual country and could therefore represent a risk for the health of humans and animals.
- j) Fish or fish guts that were excluded for human consumption due to clinical signs for an infectious disease.
- k) The animal food was subjected to all precautionary measures in order to avoid a contamination with pathogenic germs after the processing.
- l) The animal food was filled in a new package.

## Loyall Life® Cat & Kitten Chicken Recipe 20#

**Product Purpose:** Complete premium nutrition for your feline friends.

Loyall Life® Cat & Kitten Chicken Recipe is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for All Life Stages.

**Product Features:**

- TruMune™ power helps maintain healthy activity and vitality
- No corn, wheat or soy; No artificial colors, flavors and preservatives; No by-products
- #1 ingredient is chicken
- Taurine for vision and heart health
- Omega 3 & Omega 6 fatty acids to support coat & skin health
- Prebiotics and probiotics to help support healthy digestion

**Recommended Daily Feeding - Cups Per Day\***

Cat Weight (lbs)	0-3	3-6	6-9	9-12	12-15	15-18	18-21
Kittens	1	1 - 1¼	1¼ - 1½	1½ - 1¾	1¾ - 2	-	-
Adults	½	½ - ⅔	⅔ - ¾	¾ - 1	1 - 1¼	1¼ - 1½	1½ - 1¾

\*Amount per day is measured in cups. 1 cup = 8 ounce measuring cup.

If you have a pregnant, nursing or a cat exposed to cold weather, these additional factors should be taken into consideration. In gestating animals, feed up to 10% more than the recommended daily feeding amount to maintain body condition and in lactating animals, feed up to two times the recommended daily feeding amount. Clean, fresh water needs to be available at all times.

**Reminder:** Pet food is perishable. Store in a cool, dry place away from insects and rodents.

**Ingredients:**

Chicken (a natural source of glucosamine and chondroitin sulfate), Chicken Meal, Brewers Rice, Whole Ground Barley, Chicken Fat (preserved with mixed tocopherols), Dried Peas, Fish Meal (source of DHA), Natural Chicken Flavor, Dried Plain Beet Pulp, Fish Oil (preserved with mixed tocopherols), Salt, Ground Flax Seed, Potassium Chloride, Yeast Culture, DL-Methionine, L-Tryptophan, Inulin, Taurine, Choline Chloride, Vitamins (Vitamin E Supplement, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin B12 Supplement, Niacin Supplement, Thiamine Mononitrate, d-Calcium Pantothenate, Pyridoxine Hydrochloride, Riboflavin Supplement, Biotin, Folic Acid, Menadione Sodium Bisulfite Complex [source of Vitamin K activity]), Ground Garbanzo Beans, Ground Lentils, Dried Tomato Pomace, Dried Apple Pomace, Dried Kelp, Dried Carrots, Dried Sweet Potatoes, Dried Blueberries, Minerals (Zinc Amino Acid Complex, Zinc Sulfate, Iron Amino Acid Complex, Ferrous Sulfate, Copper Sulfate, Manganese Amino Acid Complex, Manganese Sulfate, Sodium Selenite, Ethylenediamine Dihydroiodide), Dried Enterococcus faecium Fermentation Product, Dried Lactobacillus acidophilus Fermentation Product, Dried Lactobacillus casei Fermentation Product, Dried Lactobacillus plantarum Fermentation Product, Dried Trichoderma longibrachiatum Fermentation Extract.

Contains a source of live, naturally occurring microorganisms.

## Loyall Life® Cat & Kitten Chicken Recipe 6#

**Product Purpose:** Complete premium nutrition for your feline friends.

Loyall Life® Cat & Kitten Chicken Recipe is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profiles for All Life Stages.

**Product Features:**

- TruMune™ power helps maintain healthy activity and vitality
- No corn, wheat or soy; No artificial colors, flavors and preservatives; No by-products
- #1 ingredient is chicken
- Taurine for vision and heart health
- Omega 3 & Omega 6 fatty acids to support coat & skin health
- Prebiotics and probiotics to help support healthy digestion

**Recommended Daily Feeding - Cups Per Day\***

Cat Weight (lbs)	0-3	3-6	6-9	9-12	12-15	15-18	18-21
Kittens	1	1 - 1¼	1¼ - 1½	1½ - 1¾	1¾ - 2	-	-
Adults	½	½ - ¾	¾ - 1	1 - 1¼	1¼ - 1½	1½ - 1¾	1¾ - 2

\*Amount per day is measured in cups. 1 cup = 8 ounce measuring cup.

If you have a pregnant, nursing or a cat exposed to cold weather, these additional factors should be taken into consideration. In gestating animals, feed up to 10% more than the recommended daily feeding amount to maintain body condition and in lactating animals, feed up to two times the recommended daily feeding amount. Clean, fresh water needs to be available at all times.

**Reminder:** Pet food is perishable. Store in a cool, dry place away from insects and rodents.

**Ingredients:**

Chicken (a natural source of glucosamine and chondroitin sulfate), Chicken Meal, Brewers Rice, Whole Ground Barley, Chicken Fat (preserved with mixed tocopherols), Dried Peas, Fish Meal (source of DHA), Natural Chicken Flavor, Dried Plain Beet Pulp, Fish Oil (preserved with mixed tocopherols), Salt, Ground Flax Seed, Potassium Chloride, Yeast Culture, DL-Methionine, L-Tryptophan, Inulin, Taurine, Choline Chloride, Vitamins (Vitamin E Supplement, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin B12 Supplement, Niacin Supplement, Thiamine Mononitrate, d-Calcium Pantothenate, Pyridoxine Hydrochloride, Riboflavin Supplement, Biotin, Folic Acid, Menadione Sodium Bisulfite Complex [source of Vitamin K activity]), Ground Garbanzo Beans, Ground Lentils, Dried Tomato Pomace, Dried Apple Pomace, Dried Kelp, Dried Carrots, Dried Sweet Potatoes, Dried Blueberries, Minerals (Zinc Amino Acid Complex, Zinc Sulfate, Iron Amino Acid Complex, Ferrous Sulfate, Copper Sulfate, Manganese Amino Acid Complex, Manganese Sulfate, Sodium Selenite, Ethylenediamine Dihydroiodide), Dried Enterococcus faecium Fermentation Product, Dried Lactobacillus acidophilus Fermentation Product, Dried Lactobacillus casei Fermentation Product, Dried Lactobacillus plantarum Fermentation Product, Dried Trichoderma longibrachiatum Fermentation Extract.

Contains a source of live, naturally occurring microorganisms.

## Loyall Life® Grain Free All Life Stages Beef with Sweet Potato 30#

**Product Purpose:** Complete, balanced grain free nutrition for all breeds and ages except large breed puppies.

Loyall Life® Grain Free All Life Stages Beef with Sweet Potato Recipe Dog Food is formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profiles for All Life Stages except growth of large size dogs (70 lb or more as an adult).

### Product Features:

- Grain free: No corn, wheat, soy, and rice; No artificial colors, flavors, or preservatives; No by-products.
- #1 ingredient is beef for a tasty, high protein diet.
- Superfoods including pumpkin, spinach, and blueberries.
- Trumune™ power helps maintain healthy activity and vitality.
- Our patented Opti-Cook® process and added prebiotics and probiotics help provide special digestive support.
- Added Taurine for heart health.

### Recommended Daily Feeding - Cups Per Day\*

Dog Weight (lbs)	5-15	15-25	25-45	45-80	80+
0 - 4 Months	1 - 2	2 - 3¼	3¼ - 5½	-	-
4 Months to Adult	¾ - 1½	1½ - 2¼	2¼ - 3½	3½ - 6	-
Adult	¾ - 1½	1½ - 2	2 - 3¼	3¼ - 5½	5½ + 1 Cup for each additional 20 lbs

\*Amount per day is measured in cups. 1 cup = 8 ounce measuring cup.

A dog's nutritional needs vary according to its breed, age, size, activity and environment. Start with this recommended amount and then vary according to your dog's body condition. You should also consult your veterinarian. Clean, fresh water should be available at all times.

Reminder: Pet food is perishable. Store in a cool, dry place away from insects and rodents.

### Ingredients:

**Recommended Daily Feeding - Cups Per Day\***

Dog Size	Dog's Optimal Weight (lbs.)	Cups Per Day*
Toy	5 – 15	½ – 1¼
Small	15 – 25	1¼ – 1¾
Medium	25 – 45	1¾ – 2 ¾
Large	45 – 80	2¾ – 4½
Extra Large	80+	4½**

\*Amounts are based on a standard 8 ounce measuring cup.

\*\*For larger dogs, feed an additional ¾ cup per day for each 20 lbs. of additional body weight over 80 lbs.

A dog's nutritional needs vary according to its breed, age, size, activity level, and environment. Use the feeding chart as a guide and vary the amount you feed as necessary to maintain ideal body condition. Consult your veterinarian for guidance on your dog's optimal body condition and adjust feeding amounts as needed.

Clean, fresh water needs to be available at all times. Regular veterinarian visits are recommended to ensure your dog's good health. To help maintain freshness of the food, seal the bag tightly after each use and store in a cool, dry location.

**Transition Instructions:** Changes in your dog's food should be gradual to allow your dog to transition to the new food. Slowly increase the amount of new food while decreasing the old food over a period of 7 - 10 days to avoid digestive upsets.

**Ingredients:**

Whole Ground Corn, Chicken By-Product Meal (source of Glucosamine and Chondroitin Sulfate), Whole Wheat, Soybean Meal, Chicken Fat (preserved with Mixed Tocopherols), Natural Flavors, Dried Plain Beet Pulp, Monocalcium Phosphate, Dicalcium Phosphate, Vitamins (Vitamin E Supplement, Niacin Supplement, d-Calcium Pantothenate, Riboflavin Supplement, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin B12 Supplement, Pyridoxine Hydrochloride, Biotin, Thiamine Mononitrate, Folic Acid), Salt, Yeast Culture, Minerals (Manganese Sulfate, Zinc Sulfate, Ferrous Sulfate, Copper Sulfate, Ethylenediamine Dihydroiodide, Sodium Selenite), Taurine, Potassium Chloride, Choline Chloride, Rosemary Extract.
